1. Currently, about 180,000 people per month are being apprehended crossing our southern border illegally, including record numbers of unaccompanied children, while countless more get away. In your opinion, which of the following statements best describes the current situation?

		Frequency	Percent	Valid Percent	Cumulative Percent
Valid	The situation at the border represents a humanitarian, health, and national security crisis for the United States and steps must be taken to end it.	281	69.9	69.9	69.9
	The situation at the border does not pose serious risks to the United States and the focus should be on rapidly resettling the migrants in this country.	80	19.9	19.9	89.8

2. Do you believe that policies adopted by the Biden administration, such as halting nearly all deportations, stopping construction of the border wall, and ending policies that require migrants seeking political asylum remain in Mexico until their claims are considered, are to blame for the dramatic increases of people crossing the border illegally?

		Frequency	Percent	Valid Percent	Cumulative Percent

3. Amid current historically high levels of illegal immigration, congressional Democrats are considering legislation that would grant amnesty, or a pathway to citizenship, to millions of illegal immigrants already in the United States. Which of the following statements best describes your view of the Democrats' proposal?

		Frequency	Percent	Valid Percent	Cumulative Percent
Valid	Such legislation would encourage more people to enter the country illegally and make an already difficult situation worse.	210	52.3	52.3	52.3
	Such legislation would have no effect on people's decision to come to the United States illegally in the future.	100	25.0	25.0	77.3

4. Under normal rules of the U.S. Senate, legislation dealing with immigration requires the support of 60 senators instead of a simple 51 vote majority. However, Senate Democrats are trying to bypass that requirement. They want to add amnesty, or a pathway to citizenship, for millions of illegal aliens, to an unrelated infrastructure package trying to be passed under an obscure process known as Budget Reconciliation. Which of the following statements best describes your view of the use of Budget Reconciliation to enact major immigration legislation?

		Frequency	Percent	Valid Percent	Cumulative Percent
Valid	I strongly support using the obscure Budget Reconciliation process to make sweeping changes to U.S. immigration laws.	71	17.7	17.7	17.7
	I somewhat support using the obscure Budget Reconciliation process to make sweeping changes to U.S. immigration laws.	65	16.3	16.3	34.0
